

## **2009-2010 Committee Rosters**

### **Association Mission Statement**

The Transformer Association (TTA) is a trade association of primarily North American transformer, inductor, and other magnetic device manufacturers, Industry suppliers, Safety and Regulatory Agencies, and Consultants. Our purpose is to be a voice for the industry and to provide the following services:

- Provide networking and educational opportunities for our manufacturing members, Industry Suppliers, Safety Agencies, and Consultants.
- Dialogue and coordinate with safety and regulatory agencies such as UL and CSA, and other standards-writing bodies such as IEC, IEEE, and NEMA.
- Gather, monitor, and disseminate industry data and trends including economic and industry issues, supplier new product information, best practices, and benchmarking measures.
- Provide a web-based resource for the trade association ([www.transformer-assn.org](http://www.transformer-assn.org)), which provides our members and the overall TTA group with the tools for continuous improvement and growth.

## **Communications Committee**

The Communications Committee consists of as many members selected from the general membership as deemed appropriate to accomplish its job description, one of whom is customarily an elected member of the Board of Directors who chairs the Committee. The Committee's responsibility is to develop and recommend a communications plan that effectively conveys the association's mission, programs and services to association members and other interested parties related to the transformer industry. The Committee will have general oversight responsibility for the web site and all general publications of the Association, whether print or electronic, general promotional materials and press releases, as well as trade press relations. The Committee will assist with communications to the members regarding all relevant association activities and will assist other Committees as requested and appropriate, most especially the Membership Committee in efforts to promote the expansion of the Association's membership.
